Panoz RACING SCHOOL

Road Racing
Driver Liability and Loss Damage Waiver:

Road Racing and Lapping Day students are liable for any damage to Panoz Racing School vehicles or raceway property. All work done to school vehicles shall be performed at prevailing industry rates for the area.

The Panoz Racing School understands that accidents may happen. To help protect students from prohibitive repair costs, each student may elect to purchase a vehicle damage waiver. The waiver caps your maximum liability to $4,000.00 per incident for One and Three Day Racing Schools. The maximum liability is $5,000 per incident for Lapping Days and Two-Day Advanced Racing Schools. The damage waiver does not cover damage to raceway grounds and facilities.

If a student incurs damage to a school vehicle severe enough to render it in operable, the Panoz Racing School reserves the right to disqualify that student from continuing the program.

The cost of the damage waiver is $100.00 per day, except for Two-Day Advanced Racing Schools and Lapping Days in Race Series cars, in which the cost is $250 per day. **You must purchase this policy at the time of enrollment**. All waivers must be signed.

Lapping Day and Advanced Racing School students are liable for damaged or flat-spotted tires. The cost of replacement is $50 per tire. The Panoz Racing School will determine if the tire needs to be replaced for the next participant or session.

Lapping Day and Advanced Racing School students are also liable for over-revs. They will be charged at $100 per each 100 RPM over-rev.
